Celebrating International Women's Day
Aambra Foundation
presents

Transformation | Inclusion | Accessibility

AGENDA

On the occasion of International Women's Day, AambraFoundation is organizing the 14th Edition of its seminar series, *SheSpeaks* at India International Centre, New Delhi. The seminar titled **Transformation | Inclusion | Accessibility** aims at celebrating the global day by cheering women in STEM particularly women entrepreneurs in Tech Start Up space. On the occasion we also begin a conversation on Inclusion and Accessibility by shedding light at the real-life issues through real life incidents, social activism and academic perspectives for the women living with a disability.
